

2016 NW Youth CAREERS EXPO

Wednesday, February 24, 2016
9:00 am – 1:30 pm • Oregon Convention Center

We're All About Sports. And Then Some.

Nike does more than outfit the world's best athletes. We are a place to explore potential, obliterate boundaries, and push out the edges of what can be.

We look for people who can grow, think, dream and create. We thrive in a culture that embraces diversity and rewards imagination. We seek achievers, leaders and visionaries. At Nike, it's about bringing what you have to a challenging and constantly evolving game.

As the world's largest sports and fitness company, we also go beyond the game to work with communities and cultures around the globe.

To learn more about careers at Nike, or one of our affiliate brands, visit Nikebiz.com/careers.

PORTLAND WORKFORCE ALLIANCE

The **PORTLAND WORKFORCE ALLIANCE** is an independent nonprofit that sees young people as the key to our region's long-term economic prosperity and quality of life. We work with local employers to educate students about college-and-career opportunities as part of a strategy to boost Oregon's graduation rate and build a resilient, prosperous and well-educated workforce.

The **NW YOUTH CAREERS EXPO**, now in its 12th year, is one way PWA connects high schools to businesses. We also provide career days, mentorship programs and classroom presentations that:

- **EDUCATE** students about career opportunities and the skills and education needed to be successful;
- **MOTIVATE** students to continue their education after high school and make informed, inspired choices about their future; and
- **HELP** employers meet their future workforce needs.

Thank you to our sponsors, exhibitors and high schools for making this 12th annual **NW YOUTH CAREERS EXPO** a success. Connect with us to continue your involvement throughout the year.

Website: www.portlandworkforcealliance.org

 Share your photos: #PWAExpo, #mypwa

Our Mission:

The Portland Workforce Alliance builds enduring partnerships between local businesses and Portland metro high schools. By providing students with real-life work experiences and career-learning opportunities, we enrich their academic knowledge, inspire them to graduate and help them make informed choices after high school and college. PWA paves the way for young people to find good careers and contribute to the economic vitality of our region.

**BIG DREAMS. GOOD JOBS.
ALL STUDENTS.**

We're not what you'd expect. When it comes to your future career, the Port of Portland offers a world of possibilities. Whether you have a passion for designing structures, a knack for public speaking, or a desire to protect and serve – the Port might be looking for someone like you. Stop by our booth and learn more about all the jobs the Port has to offer.

MOCK INTERVIEWS

About 150 volunteers from the world of human resources management offer one-on-one mock interviews for students at the Expo. These industry professionals work with students and offer positive, constructive feedback that will help students shine in future interviews for jobs or college admission.

Tip 1: Bring your resume for review.

Tip 2: If lines are long or you don't have a resume, try a nearby mini-session on resume-writing or job interviewing.

MINI-SESSIONS: RESUME-WRITING AND INTERVIEWING

Mini-sessions on resume-writing and job interviewing will take place every half hour near the mock interview area. Students are welcome to drop in as space permits.

DEMAND IS HIGH. Priority is given to schools that signed up their students prior to the Expo.

We build partnerships...

that foster innovation, a diverse workforce, the growth and development of equity subcontractors, and community engagement.

Pictured Above: Superintendent Jack Johnson with local high school students that participated in Howard S. Wright's Career Day partnership with Portland Workforce Alliance.

At Howard S. Wright, a Balfour Beatty company, we align our business practices with our client's values to ensure that diversity goals are met. No matter the size, scope, or nature of the project, diversity is a core value we bring to every project we build.

ALL TOGETHER NOW

The future starts here. And it's powered by laughter, smiles, and the ability to recognize our differences.

Some call it diversity. We think it's a smart way to nurture our next generation of leaders and give them an equal opportunity to thrive.

Kaiser Permanente is proud to help students in the Northwest prepare for college and pursue health care careers.
