REAL-LIFE LEARNING

The Expo helps students **develop** their career aspirations, **connect** with future employers and **see** the link between today's classes and tomorrow's possibilities.

*"We are **blown away** at the variety of businesses as well as the organization of the mock interviews. Thank you for putting on such a **quality event**."*

2017 NW YOUTH CAREERS EXPO

A PLACE FOR DISCOVERY

“The youth career expo is the single **biggest and best career experience** for youth in the Portland metro area, period.”

— Portland educator

EMPLOYERS SAY:

“As a first-year participant, Umpqua Bank was pleasantly surprised by the students in attendance; the preparedness of the students and their engagement. We are **excited to participate in 2017!**”

— Umpqua Bank

“I’d like to commend you on a **fabulous event!** [We] had a great time connecting with the students and we’re excited to find more ways to partner with PWA.”

— New Relic

EDUCATORS SAY:

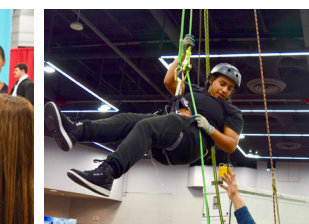

“Often students only know about companies they come in contact with as retail consumers, so the rest of the economy is invisible to them. The Expo opens **whole new vistas of opportunities** for my students.”

— Benson High School educator

“Coming from a rural community, our kids are never going to have the chance to talk with so many people representing such a **diverse group of career opportunities** in one place. The Careers Expo is an excellent event where they can do just that.”

— Sandy High School educator
