STUDENTS CAN:

- **Connect** with people who work in health care.

- **Learn** about the skills and education needed for different careers.

- **Try out** the simulation labs and see live demonstrations.

- **Discover** the diversity of careers within health care, including technology-related jobs.

DID YOU KNOW?

- The health care sector is the region's largest employer.

- The average salary in health care is $54,869, higher than the average for other sectors. Registered nurses in Oregon earn $80,000 and more. *

- The region's three major employers in health care are hospitals, clinics and care facilities.

- New treatments, plus a growing & aging population, mean great job prospects in health care.
