STUDENTS CAN:

- **Connect** with people who work in manufacturing.
- **Learn** about the skills and education needed for interesting, satisfying careers.
- **Discover** Gunderson's welding exhibit and many other hands-on demonstrations.
- **Check out** employers' innovative work in fields such as aviation, advanced metals casting, solar panel manufacturing, transportation, automotive services, equipment manufacturing and more.

DID YOU KNOW?

- Manufacturing jobs have grown more **high-tech and complex** in recent years. People who are comfortable with math and can adapt to new technology are most likely to thrive.
- Most manufacturing jobs require **teamwork**. Manufacturers need employees who can solve problems, interact well with others and understand how their work contribute to the larger effort.

The NW Youth Careers Expo is the Northwest's premier career-education event, attended by 7,000+ students and 190+ employers. It shows students the amazing diversity of career opportunities in our region. Featured sectors include health care, arts & communication, technology, manufacturing, design, construction, business, education and human services.
