CONSTRUCTION PROJECT MANAGEMENT BUILD & DESIGN

DECEMBER 6, 2018

Dream of a career in construction management?

Go behind the scenes with **Howard S. Wright** to see Portland's booming construction industry! Talk with professionals about **why they love their job**.

Learn what it takes to build impressive buildings, highways, bridges, and railway and water projects.

Do **hands-on activities** (building information modeling, bidding & project management, immersive 3D/4D virtual reality) related to a current company project, then **tour a construction site** to see those plans come to life.

Date: Thursday, December 6, 2018
Time: 9:00 AM – 1:30 PM
Check-in: 8:45 AM
Lunch & Dress: Lunch will be provided. Dress warmly with closed-toe shoes.
Location: **Howard S. Wright** – 1455 NW Irving Street, Suite 400

Seats fill fast! Registration closes when filled. See your career coordinator or school contact for registration information.
