Over 5,000 high school students attended the NW Youth Careers Expo, including students from Portland, Tillamook, Pendleton, McMinnville, Maupin, and Oakridge. This wouldn't have been possible without the efforts of caring adults — business professionals, community leaders, and educators who are committed to giving back to our community and inspiring the next generation of the workforce.

Why did your business get involved with the Expo?

"The NW Youth Careers Expo is a fantastic way for professionals & businesses in our community to reach out to our future leaders with information & opportunities that may otherwise have been missed."

— Kenneth Fisher, Heery International
