

CAREER DAY

international development + social change

Wednesday, November 18, 2015

Mercy Corps, a major global **humanitarian aid organization**, is headquartered right here in Portland. It specializes in community-based development in more than 40 countries around the world, helping people in societies struggling with conflict, economic collapse or natural disasters.

Join Mercy Corps staff at the Action Center for an **active and eye-opening** day exploring the strategies of international development. This is not your run-of-the-mill career: The pace is fast, the intellectual demands rigorous, the passion intense. Take the first steps in learning how projects get funded, people get hired and **social change** actually happens.
