

Summer Clinical Research Internship

Hosted by the OHSU Department of Surgery

Gain hands-on experience in health care and academic research!

OHSU's Department of Surgery is recruiting motivated **high school students** to join our clinical research program for the summer of 2017.

Pair up with a University and Medical Student, work in teams and complete a chart review study.

Program runs from the end of June until the end of August.

This Research Experience includes:

- **Weekly conferences** on Vascular Surgery
- **Workshops** on data visualization, biostatistics & researching resources
- **Job shadow opportunities** in the Vascular Surgery clinic, the Vein clinic, the OR, and the Vascular Lab
- **Interactions with patients** in a prospective study "out in the field"
- **Support from the Principal Investigator** to present completed work at local, regional, and/ or national meetings

Criteria:

- Open to current sophomores, juniors, and seniors
- Must be at least 15 years old by June 1, 2017
- GPA 3.0
- US, Canadian, and International applicants welcome.

Requirements:

- Enthusiasm for clinical research and shadowing
- Dedication to collaboration
- Proficiency with Microsoft Office
- Commitment: 20-30 hours per week

DEADLINE: TUESDAY, FEBRUARY 28

Please email a one-page cover letter and resume to Sharon Kryger:
