How can you get involved?

Sponsor the Expo

Generous sponsors make the NW Youth Careers Expo possible. Your sponsorship helps cover this important community event.

By sponsoring the Expo, you also support the **year-round work** of the nonprofit Portland Workforce Alliance. PWA develops career-learning experiences for students including career days, mentorship programs, internships, mock interviews and classroom presentations.

Become an Exhibitor

Exhibitors bring hands-on activities, demonstrations, and equipment to engage students. Exhibitors speak directly to students at their booths, answer questions about their careers, and explain why their company is a great place to work.

- Private sector & government: \$700
- For-profit education: \$450
- Education & non-profit: \$300
- *Register before Nov. 30 for a \$50 discount!*

Volunteer for Mock Interviews

More than 500 students participate in career talks and **15-minute mock interviews** at the Expo. PWA and PHRMA (Portland HR Management Association) provide sample questions and interview templates to make volunteering easy.

Join us in 2018!

Grow your future workforce.

The Expo gives students a first experience with your company and allows you to work toward strengthening and diversifying your future workforce.

Support Oregon education.

Our high schools are full of promising students, but our graduation rates are some of the worst in the nation. The Expo gives you an opportunity to inspire students to graduate and continue their education.

Showcase your company.

Hundreds of business professionals, political leaders and educators attend this event. So does the media. The Expo gives your company and your industry great exposure to the community at large.
