

Construction & Design

STUDENTS CAN:

- **Connect** with people who work in construction and design.
- **Learn** about the skills and education needed for great careers.
- **Explore** the virtual painting booth, 3D printers and other fun hands-on activities.
- **Discover** employers' innovative work in construction, sustainability and urban development.
- **Check out** careers such as architecture, engineering, construction management, landscape design, graphic design, the skilled trades, marketing and more.

DID YOU KNOW?

- Oregon's construction sector is growing fast to meet the region's demand for new development.
- The skilled trades offer an excellent pathway to middle-class jobs and supervisory positions.
- Educational options include community college, paid apprenticeships or a four-year university.

The NW Youth Careers Expo is the Northwest's premier career-education event, attended by 7,000+ students and 190+ employers. It shows students the amazing diversity of career opportunities in our region. Featured sectors include health care, arts & communication, technology, manufacturing, design, construction, business, education and human services.
