DAIMLER

# INNOVATIVE MOBILITY VEHICLE PRODUCTION MANUFACTURING

FEBRUARY 13, 2019

## Learn about the fast-paced careers at Daimler Trucks!

Go **behind-the-scenes** at Daimler to look into business, engineering and manufacturing at the world's largest maker of high-tech rigs and commercial vehicles. See how they are using innovation to change mobility, including advances in auto-pilot driving.

Learn about the **skills, education, & experience** needed to be successful in a variety of engineering, manufacturing, finance and business careers. Visit the "mock-up center" with trucks and 3D printers.

Participate in a "**build your own truck**" activity where students get a budget & materials to build a vehicle that can meet certain performance criteria.
