# NW YOUTH CAREERS EXPO

The annual **NW YOUTH CAREERS EXPO** is the Northwest's premier career-education event. The **EXPO** shows students the region's amazing diversity of career opportunities, and offers information on the skills and education needed for those jobs.

The **EXPO** connects employers to their future workforce and helps students make informed, inspired decisions about their education after high school – whether they choose a four-year university, community college or apprenticeship training center.

**THANK YOU** to our sponsors, exhibitors and high schools for making the annual **NW YOUTH CAREERS EXPO** a success!

## Why do we feel that investing in the community is so important? Because of the sizable returns.

We are proud to have served our customers for over 160 years. With that pride comes the knowledge that we have an even greater responsibility to the community at large. That's why on any given day you'll find our employees helping others. And the fruits of those efforts are visible in the faces of those who need us most.

We believe that if we put the time in to help our neighbors — through philanthropy, volunteering, or just plain sweat — the rewards are tenfold.

Together with numerous charitable organizations, we're working to make this the kind of place we can all call home. And that's the biggest return of all.
