CAREER DAY

STRUCTURAL ENGINEERING CONSTRUCTION ARCHITECTURE

NOVEMBER 8, 2019

Dream of a career in engineering?

Go **behind the scenes** at catena consulting engineers to see the critical work that structural engineers do in the construction industry. Here about the intricacies of the structural engineering world from a **practicing professional** and participate in a **hands-on newspaper building activity**.

Learn what it takes to build safe, sustainable buildings. Then **tour a construction site at Portland State University** to see a building through an engineer's eyes.
