CAREER DAY

MEDIA & VIDEO TECH CAREERS SOFTWARE DESIGN

DECEMBER 12, 2019

Dream of having a career in the vibrant tech industry?

You're invited to spend the morning at **AWS Elemental**, an Amazon Web Services company. This local office is focused on video processing, storage and monetization – if that's a mystery to you, the more reason to join the Career Day.

You'll meet **Amazonians** from departments as varied as marketing, finance and engineering. Learn about how artists and musicians can make wonderful software designers. Plus, learn **hands-on** how video compression works (yes, it's a lot like Silicon Valley on HBO).

Date: Thursday, December 12, 2019
Time: 9:00 AM – 12:00 PM
Check-in: 8:45 AM
Location: AWS Elemental
1320 SW Broadway, Suite 400
