# 2020 NW YOUTH CAREERS EXPO

**TUESDAY, MARCH 10, 2020**

**9AM - 1:30PM • Oregon Convention Center**

[PORTLANDWORKFORCEALLIANCE.ORG/EXPO](https://portlandworkforcealliance.org/expo)

The background of the slide is a dark gray gradient. Overlaid on this is a complex arrangement of numerous isometric cubes and rectangular prisms of various sizes. These shapes are rendered with thin white outlines, creating a 3D effect. They are scattered across the frame, some appearing to be stacked or nested, while others stand alone. The overall composition suggests a sense of building, structure, and growth.

Work hard.  
Have fun.  
Make history.

## NW YOUTH CAREERS EXPO

The 16th annual **NW Youth Careers Expo** is the Northwest's premier career-education event. The Expo shows students the region's amazing diversity of career opportunities, and offers information on the skills and education needed for those jobs.

The Expo connects employers to their future workforce and helps students make informed, inspired decisions about their education after high school -- whether they choose a four-year university, community college or apprenticeship training center.

**Thank you** to our sponsors, exhibitors and high schools for making the annual NW Youth Careers Expo a success!

Why do we feel that investing  
in the community is so important?

Because of the sizable returns.

We are proud to have served our customers for over 160 years. With that pride comes the knowledge that we have an even greater responsibility to the community at large.

We believe that if we put the time in to help our neighbors—through philanthropy, volunteering, or just plain sweat—the rewards are tenfold.

Together with numerous charitable organizations, we're working to make this the kind of place we can all call home. And that's the biggest return of all.
