ENERGY

- Ameresco, Inc.
- Bonneville Power Administration
- NW Natural
- Pacific Power
- Portland General Electric
 - ...and more!

As of 2/25/20

STUDENTS CAN:

- **CONNECT** with people who work in manufacturing, engineering, and industrial technology!
- **LEARN** about the skills and education needed for interesting, satisfying careers.
- **DISCOVER** welding at Greenbrier Gunderson's exhibit and many other hands-on demonstrations.
- **CHECK OUT** employers' innovative work in fields such as aviation, advanced metals casting, transportation, automotive services, equipment manufacturing and more.

DID YOU KNOW?

- Manufacturing jobs have grown more **high-tech and complex** in recent years. People who are comfortable with math and can adapt to new technology are most likely to thrive in this industry.
- Most manufacturing jobs require **teamwork**. Manufacturers need employees who can solve problems, interact well with others and understand how their work contributes to the larger effort.

The NW Youth Careers Expo is the Northwest's premier career-education event, attended by 6,500+ students and employers representing 195+ booths. It shows students the region's amazing diversity of career opportunities. Featured sectors include health care, arts & communication, technology, manufacturing, design, construction, business, education and human services.
