

2023 EXPO | BUS AND PARKING DETAILS

The Oregon Convention Center prohibits buses from waiting in front of the building, because it creates major traffic backups and safety issues on MLK. Students can be dropped off and picked up in the pullouts along Holladay (Northside) & MLK (Eastside), but please **DO NOT block traffic**.

Here are 3 things that schools can do to help minimize bus congestion:

1 – Inform your bus driver that they CANNOT wait at the OCC or park in the OCC pullouts. Tell them of the two complimentary bus parking lots reserved for Expo drivers.

2 – Exchange contact info with your bus driver. When your group is ready to be picked up, and AFTER all students are accounted for, contact them to come to the OCC. **DO NOT summon your bus until all students are accounted for.** (When schools that are missing students wait on the buses in the pullouts, they cause massive congestion and backups.)

3 – Consider adding something distinctive or colorful to your bus window.

There will be parking monitors to help buses locate the Benton Lot and avoid parking in the pullouts. PWA appreciates your help in keeping the bus loading & unloading process as seamless as possible!

Benton Lot: N. Benton & N. Broadway Avenue.

Lloyd Center Overflow Lot: Enter on Multnomah Boulevard between 15th and 16th avenues.

The entrance is across the street from the Regal Lloyd Center Cinemas.
