## Hot Expo Tip #1:

Look for the Lightbulb.

Exhibitors with "lightbulb" signs have jobs,  
internships or volunteer opportunities.

## Hot Expo Tip #2:

The Expo is BIG. Before you go, make a plan!

Look at the Expo map above and circle the Zones you  
want to visit.

Visit [PORTLANDWORKFORCEALLIANCE.ORG/EXPO](https://portlandworkforcealliance.org/expo) to  
find the list of employers. Make a list of 5-10 to visit. Try a  
few outside your comfort zone!

When you arrive, look for the **Expo Resource Guide**  
booklet, which has a detailed index and map showing  
specific exhibitor locations.

# NW YOUTH CAREERS EXPO

The annual **NW YOUTH CAREERS EXPO** is the Northwest's premier career-education event. The **EXPO** shows students the region's amazing diversity of career opportunities, and offers information on the skills and education needed for those jobs.

The **EXPO** connects employers to their future workforce and helps students make informed, inspired decisions about their education after high school – whether they choose a four-year university, community college or apprenticeship training center.

**THANK YOU** to our sponsors, exhibitors and high schools for making the annual **NW YOUTH CAREERS EXPO** a success!

# architecture in 2023 means...

Why do we feel that investing in the community is so important?

Because of the sizable returns.

We believe that if we put the time in to help our neighbors—through philanthropy, volunteering, or just plain sweat—the rewards are tenfold. Together with numerous charitable organizations, we're working to make this the kind of place we can call home. And that's the biggest return of all.
