

# WOMEN IN CONSTRUCTION

*There's no limit to what we can achieve!*

WIC Week, or Women in Construction Week, celebrates and promotes the role of women in the construction industry. Featured jobs include business, marketing, the trades and more! You don't have to know you're interested in construction or identify as a woman to participate.

## **Events in collaboration with ACE:**

- Mortenson's Career Panel
- Swinerton Construction Thesis site tour (*space is limited*)

*The site tour and digital career panel will be hosted on March 7th.*
