PORTLAND STATE UNIVERSITY

THANK YOU FOR SUPPORTING CAREER LEARNING!

Around 440 business leaders, elected officials, educators, and high school students came together for the 20th Anniversary PWA Expo Breakfast to celebrate community-based career exploration and education.

Thank you to our speakers, sponsors, donors and attendees for supporting young people and our future workforce through PWA.

"I really liked getting the time to speak with the adults at my breakfast table because it allowed me to get in touch with people who are working in the career field I am interested in."

- 2024 BREAKFAST STUDENT ATTENDEE

"I enjoyed the student interviews. It is wonderful to hear first hand the impact of PWA and how this has an impact on students."
